Note: Yellow highlights denotes that bill is still pending

No.	Chief Patron	Title	Summary
Academic Affairs			
397	Willett	Master's social worker; scope of practice, regulations.	Board of Social Work; Board of Counseling; master's social worker; scope of practice; regulations. Expands the scope of practice of master's social workers to allow the provision of clinical services under the supervision of a licensed clinical social worker. The bill also directs the Board of Social Work to promulgate regulations to allow master's social workers to engage in clinical services under the supervision of a licensed clinical social worker and directs the Board of Counseling to amend its regulations to state that a licensed baccalaureate social worker shall not be required to (i) register with the Board of Counseling or (ii) fulfill any additional training or education requirements in order to serve as a qualified mental health professional-trainee. The bill directs the Department of Medical Assistance Services and the Department of Behavioral Health and Developmental Services to amend their regulations to deem the services provided by a licensed baccalaureate social worker to be equivalent to the services provided by a qualified mental health professional-trainee and reimbursed at a comparable rate, and directs the Department of Medical Assistance Services to seek all necessary federal authority to enact such changes.
360	Price	Nursing, Board of; waiver of regulations related to nursing faculty ratios.	Board of Nursing; faculty supervision of direct client care; faculty-to-student ratio. Directs the Board of Nursing to allow nursing education programs to apply for a waiver of the student-to-faculty ratios for direct client care. Under the bill, such waiver would permit a nursing education program to increase the ratio of students to faculty engaged in direct client care from 10 students per faculty member up to, but not to exceed, 15 students per faculty member. Current regulations permit faculty to supervise up to 10 students providing such care per faculty member without the utilization of a preceptor.
374	Laufer	Professional education programs; exemption for programs leading to certain endorsements.	Board of Education; accreditation requirements for professional education programs; exemption for professional education programs leading to certain endorsements. Directs the Board of Education to amend its regulations relating to accreditation requirements for professional education programs in the Commonwealth to require the Department of Education to provide an alternative to the requirement to obtain and maintain national accreditation from the Council for the Accreditation of Educator Preparation for any professional education program that leads to an endorsement as a school counselor or a school psychologist and has a secured specialty area accreditation from a specialized accrediting agency recognized by the U.S. Secretary of Education or the Council for Higher Education Accreditation.

395	Bennett-Parker	SCHEV; evaluating certain activities/programs of private & out-of-state postsecondary institutions.	State Council of Higher Education for Virginia; recommendations on exempting certain courses of instruction operated by private and out-of-state institutions of higher education; report. Directs the State Council of Higher Education for Virginia (the Council) to evaluate and make recommendations on amending the provisions of law relating to certain activities and programs offered by private and out-of-state postsecondary schools that are exempt from the requirements for obtaining and maintaining certification by the Council to operate in the Commonwealth for the purpose of exempting noncredit courses of instruction offered by an entity or organization in accordance with the requirements of a nationally recognized certifying body and those intended solely to prepare students for certification as project management professions, provided that no such exempted course shall exceed the number of hours required by the applicable certifying body. The bill requires the Council to report its findings and recommendations to the Senate Committees on Finance and Appropriations and Education and Health and the House Committees on Appropriations and Education by November 1, 2025.
410	McPike	Architects; alternative to education requirement for licensure.	Professions and occupations; alternative to education requirement for licensure of architects. Requires the Board for Architects, Professional Engineers, Land Surveyors, Certified Interior Designers and Landscape Architects to adopt regulations establishing work and education experience equivalencies that shall provide an alternative to the requirement of a professional degree in architecture from a program accredited by the National Architectural Accrediting Board. The bill also requires the Board to adopt regulations establishing a credit system to account for varying degrees of work and education experience and to develop requirements for applicants seeking licensure to certify work and education experience on an annual basis. The bill requires the Board to evaluate any past work or education experience of any applicant under this bill until July 1, 2028. This bill is identical to HB 2154.
461	Price	Department of Health Professions; health regulatory boards; regulations; licensure by endorsement.	Department of Health Professions; health regulatory boards; regulations; licensure by endorsement. Directs each health regulatory board regulated by the Department of Health Professions to enact regulations to provide a licensure by endorsement pathway for qualified applicants as practitioners of the particular profession or professions regulated by such board. The bill specifies that the Board of Medicine shall be the first health regulatory board to enact regulations to provide a licensure by endorsement pathway. This bill is identical to SB 1438.
463	Pillion	Health Professions, Board of; transfer of powers and duties.	Elimination of Board of Health Professions; transfer of powers and duties. Eliminates the Board of Health Professions and transfers certain powers and duties from the Board to the Department of Health Professions.
429	Simonds	Mathematics teachers; BOE shall take certain regulatory actions relating to add-on endorsements.	Board of Education; certain add-on endorsements for mathematics teachers. Requires the Board of Education to develop and approve a geometry add-on endorsement for teachers licensed by the Board of Education to provide instruction in geometry for students in kindergarten through grade eight and (ii) amend its regulations establishing the criteria for earning an Algebra I add-on endorsement to (a) eliminate the requirements that candidates complete coursework in calculus, Euclidian geometry, probability and statistics, and discrete mathematics and (b) permit candidates to receive a passing score on the Praxis Algebra I add-on endorsement exam in lieu of the requirement that candidates complete coursework in elementary functions, introductory college algebra, trigonometry, and linear algebra.

3	Favola	Practical nursing programs, certain; transferability to registered nursing programs, etc.	Certain practical nursing programs; common curriculum; transferability to registered nursing programs; pathway stackable credentials. Requires the Virginia Community College System, in consultation with the State Council of Higher Education for Virginia, the Board of Nursing, and representatives from associate-degree-granting public institutions of higher education that offer nursing programs, to develop a common curriculum for practical nursing programs that shall be implemented at each comprehensive community college in the System that offers a practical nursing program. The bill requires such common curriculum, to the extent possible, to (i) align with the degree requirements for registered nursing programs offered at associate-degree-granting public institutions of higher education and (ii) be transferable to each registered nursing program offered at an associate-degree-granting public institution of higher education. The bill requires each associate-degree-granting public institution of higher education that offers a registered nursing degree program to participate in a practical nursing program to register nursing program transfer agreement with the System that aligns with the practical nursing program common curriculum established pursuant to the bill and permits any private institution of higher education that offers a registered nursing degree program to be consulted regarding and participate on a voluntary basis in such a transfer agreement. The bill also (a) requires the System to establish a pathway of stackable nursing credentials that consists of a practical nursing to associate registered nursing to bachelor of science in nursing program pathway; (b) directs the System to develop and implement the common curriculum for practical nursing programs by July 1, 2026; and (c) directs the System to submit a progress report to the chairs of the Senate Committee on Education and Health and the House Committee on Education by December 1, 2025. The provisions of the bill relating to the development of the common curriculum for practical nursing programs have a delayed effective date of July 1, 2026. The bill incorporates SB 791 and is identical to HB 2548.
53	Reaser	Student literacy instruction, etc.; completion of self-audit, higher educational institutions.	Certain education preparation programs; self-audit; student literacy instruction and the identification of students at risk for learning disabilities; report. Requires each education preparation program offered by a public institution of higher education or private institution of higher education that has not yet been audited in accordance with relevant provisions of law to complete a self-audit for compliance with requirements set forth in relevant law relating to coursework, student mastery, and field experience in student literacy instruction and the identification of students at risk for learning disabilities utilizing a rubric developed and provided by the Department of Education, with metrics that analyze the degree to which it has met each such requirement, and to submit the results of such audit and a plan for closing any gaps to the House Committee on Education and the Senate Committee on Education and Health no later than November 1, 2026.
9	Ebbin	Teachers; career and technical education, alternative pathway to provisional licensure.	Board of Education; teacher licensure; career and technical education; alternative pathway to provisional licensure. Requires the Board of Education (the Board) to issue a provisional license to any person seeking an initial license in the Commonwealth with an endorsement in the area of career and technical education who has a high school diploma or a high school equivalency certificate and an industry-recognized credential, certification, or license in the area in which such person seeks an endorsement but has not completed all requirements specified in the Board's regulations for licensure to allow time for such person to complete, in lieu of the outstanding requirements specified in the Board's regulations for licensure, coursework in three areas specified in the bill. The bill directs the Board to amend its regulations as necessary in accordance with the provisions of the bill. This bill is identical to HB 2018.

Administration and Finance

21	Lucas	Commonwealth of Virginia Higher Educational Institutions Bond Act of 2025; created.	Bonds for public institutions of higher learning; emergency. Authorizes issuance of bonds in an amount up to \$206,085,243 for revenue-producing capital projects at James Madison University and The College of William and Mary in Virginia. The bill contains an emergency clause and is identical to HB 2359.
29	Aird	Students from foreign countries; student exchange programs, tuition and fee waivers.	Public institutions of higher education; student exchange programs; tuition and mandatory fee waivers; condition Clarifies that tuition and mandatory fees may be waived for a student from a foreign country enrolled in a public institution of higher education through a formalized student exchange program between such institution and another institution of higher education, provided that the number of full-time equivalent inbound students from a foreign country for whom tuition and mandatory fees has been waived does not exceed during any three-year period the number of full-time equivalent outbound students who are enrolled through such student exchange program and who pay full tuition and mandatory fees to the institution. Current law permits tuition and mandatory fees to be waived for a student from a foreign country enrolled in a public institution of higher education through a student exchange program approved by such institution, provided that the number of students from a foreign country for whom tuition and mandatory fees has been waived does not exceed during any three-year period the number of students from a foreign country who are enrolled through such student exchange program and who pay full tuition and mandatory fees to the institution. This bill is identical to HB 2156.
150	Carr	Virginia Public Procurement Act; contract terms inconsistent with Virginia law.	Virginia Public Procurement Act; contract terms inconsistent with Virginia law. Provides that no public contract for information technology goods and services, as defined by the bill, may contain terms in conflict with Virginia law. The bill also provides that public contracts shall provide for the application of Virginia law and for jurisdiction in the state of Virginia regardless of the terms of the contract. The provisions of this bill only apply to a county, city, town, political subdivision, or public institution of higher education, or to a public body listed as an independent agency in the appropriation act, if its governing body has adopted such provisions as part of its procurement policies and procedures.
14	VanValkenburg	Human Resource Management, Department of; hiring on the basis of direct experience.	Department of Human Resource Management; hiring on the basis of direct experience. Prohibits any state agency from requiring as a condition of eligibility for hire to a position in state employment that an applicant have a baccalaureate degree. The bill provides an exception to such prohibition if the knowledge, skills, or abilities required for the position for which an applicant is applying can only reasonably be obtained, as determined by the appointing authority, through a course of study in pursuit of, and culminating in the award of, a baccalaureate degree. This bill is identical to HB 1611.
41	Tran	Information Technology Access Act; digital accessibility, definitions, procurement requirements.	Information Technology Access Act; digital accessibility. Makes numerous organizational changes to the Information Technology Access Act. The bill defines 'information and communications technology' as it relates to digital accessibility, defined in the bill, for all persons with disabilities. The bill permits the head of each covered entity, defined in the bill, to designate an employee to serve as such covered entity's digital accessibility coordinator and provides that such digital accessibility coordinator is responsible for developing and implementing such covered entity's digital accessibility policy. The bill has delayed effective dates of April 24, 2026, and April 26, 2027, for specific covered entities according to population size.
