

## **JMU Facilities Projects**

### ***Current:***

- **UREC Expansion** is ongoing with the new edition expected to be completed fall of 2015. The renovation to the existing building is expected to be completed the fall of 2016
- **Grace Street Student Housing** will be completed this summer and will create a 507 student bed complex, with areas serving food in the lower level.
- **Newman Lake Project** will be completed this spring. This project includes the creation of an additional turning lane on Bluestone Drive. This will help alleviate some traffic congestion and it is being constructed in conjunction with a bike/pedestrian path that will begin in Purcell Park and run along the lake behind the Tree houses up to Bluestone Drive.
- **Montpelier Hall** is well on its way. It is expected to be completed the summer of 2016, with Health & Human services programs moving into the new building.

### ***Summer:***

- Eagle Hall, JMAC 6, the Music Building, and Memorial and Alumnae Halls will be getting new roofs.
- Chandler Hall will have new carpet and a new elevator shaft installed and re-grouting of exterior walls.
- Installation of a new steam line connecting the main campus power plant with the north campus plant. This work will have sidewalks and sections of road closed along Bluestone Drive, all the way around Gibbons Hall, Warren Hall, Taylor Hall PC Dukes, Hillside field.
- Hillside Hall will have new floor tile installed, new coils in each room, a new boiler, and a total paint of the building.
- Installation of Wi-Fi capability in the following buildings: Eagle Hall, Chandler hall, Shorts Hall, Gifford, Logan, Converse, Ashby, Wampler, Hoffman, Wayland, Spotswood, Music, Sheldon, Johnston, Cleveland, Alumnae, Roop, Jackson, Harrison, and all dorms on Greek Row.
- Spotswood will be getting new fire alarms and windows.
- Anthony Seeger will be getting new fire alarms
- Performing Arts Center will be getting an overhang that goes from its entrance to the Warsaw Parking Deck to eliminate water ponding and ice.
- Village dorms will have some minor work in all: hand dryers installed, walls built in suite 100 in all wings of every building in the village, Huffman will be total painted
- Wampler is getting a new chiller and total paint.

### ***Future:***

- **USB Annex** construction will start spring of 2016 and complete the summer of 2017. Housekeeping, Landscape, Grounds/Turf Management, Carpentry, and Paint shops will all be relocated to the new facility. The facility will be located on Chesapeake Avenue, between the existing Grounds storage building and R-11 parking lot.
- **The Mason Street Parking Deck** will be built at the corner of Martin Luther King Blvd. and Mason Street. It will provide 1000 additional parking spots.

*For all information on projects to include summer sweeps, please go to the JMU Home Page, click A-Z index, and select Facilities Management. On the left side of the screen, click Scheduling and you will have access to view all projects and the summer schedule.*
