## July 2016

### New USB Annex Breaking Ground!!

Rendering of the new USB Annex, Front View

With construction of the new USB Annex under way, Project Manager, Rick Miller, answered a few questions about the upcoming addition to campus. The building is estimated to be complete by June 8, 2017 with a number of shops utilizing this new

space. The annex is set to house the Landscaping, Housekeeping, Carpentry and Paint shops as well as the administrative offices and accessory spaces for these departments. Rick shared, "this building will also include a drive through wash bay for Landscaping and a common space between the Carpenter and Paint shops so they are able to move or store newly constructed projects that require painting or finishing."

### New Hires

## Summer Fun at JMU!!

The semester is over and all the students are gone, but that doesn't mean the university has stopped all events for the summer!

If you are looking for something fun to do this month, there are still many events held by the university for kids of all ages, including the young at heart. Whether you want to enjoy the great outdoors or escape the heat by seeing a play in a cool theatre, JMU has something everyone can enjoy.
