New HR Administrative Assistant, Shakini Sachdev

Shakini Sachdev is the new wage Human Resources Assistant for JMU Facilities. She graduated from Ithaca College with a Bachelor's of Science in Communication Management and Design in 2013. She recently moved to America from Bangkok, Thailand where she spent the last three years. Over there she worked the front desk of a hotel, did the customer relations for a tailoring company, and did a bit of event planning for large Indian weddings. Her professional background has been in customer service and administrative related positions.

Some things Shakini enjoys are arts and crafts, animals, and the beach. She currently lives in Staunton with her husband and cat that they brought all the way from Thailand (couldn't leave her behind!). She looks forward to settling here and making a life in America. Duties in her current role include involvement in the recruitment process and various clerical and customer service responsibilities.
