MEMORANDUM

To: Vice Presidents, Deans, Directors, and Department Heads
From: Mark W. Angel, Assistant Vice President for Finance
Subject: Fiscal Year-End June 30, 2022 - Closing Calendar of Activities
Date: April 4, 2022

As the end of the fiscal year approaches, it is once again time to plan the process to close out the University's books for fiscal year-end June 30, 2022.

Since our Small Purchase Credit Card process has changed, the June 2022 statement must be reconciled by June 24, 2022. Any July billing cycle charges that are reconciled by June 24, 2022 will also be paid in FY2022.

Given the impacts of the new eVA platform launch in May, Procurement recommends that departments enter large end of year purchases into eVA no later than April 18, 2022. This will help ensure these purchases can be processed before the current platform goes offline at noon on April 28, 2022.

As you are making plans for year-end purchases, pay particular attention to the use of new vendors. Procuring goods/services from vendors who are not registered in eVA with an active status may cause delays in our ability to pay those vendors and may jeopardize your ability to have those goods/services paid from FY2022 funds. If this situation occurs, FY2022 funds will not be available for roll over to FY2023. A good rule of thumb would be to initiate purchases from these types of vendors well in advance of June 1, 2022.

Also, we are experiencing long lead times for many items normally purchased near year-end such as computers and other electronic equipment. Purchases of these items should be made as soon as possible to ensure delivery and payment from FY2022 funds.

The dates and activities listed below are designed to assist offices and departments in their year-end fiscal planning. Please share this memo and the attached calendar of activities with the appropriate staff in your department.
