

## MEMORANDUM

**To:** Vice Presidents, Deans, Directors, and Department Heads  
**From:** Mark W. Angel, Associate Vice President for Finance MWA  
**Subject:** Fiscal Year-End June 30, 2025 - Closing Calendar of Activities  
**Date:** March 28, 2025

---

As the end of the fiscal year approaches, it is once again time to plan the process to close out the University's books for fiscal year-end June 30, 2025.

The Small Purchase Credit Card process requires the June 2025 statement to be reconciled by June 23, 2025. Any July billing cycle charges that are reconciled by June 23, 2025 will also be paid in FY2025.

As you are making plans for year-end purchases, pay particular attention to the use of new vendors. Procuring goods/services from vendors who are not registered in eVA with an active status may cause delays in our ability to pay those vendors and may jeopardize your ability to have those goods/services paid from FY2025 funds. If this situation occurs, FY2025 funds will not be available for roll over to FY2026. A good rule of thumb would be to initiate purchases from these types of vendors well in advance of May 15, 2025.

Also, we continue to experience long lead times for many items normally purchased near year-end such as computers and other electronic equipment. Purchases of these items should be made as soon as possible to ensure delivery and payment from FY2025 funds.

The dates and activities listed below are designed to assist offices and departments in their year-end fiscal planning. **Please share this memo and the attached calendar of activities with the appropriate staff in your department.**
