Go to studentaid.gov and click “create account” in the upper right hand corner. The application is available in English and Spanish.

What is an FSA ID?

The Federal Student Aid (FSA) ID is a username and password that is required to log in and access all Federal Student Aid websites, including the FAFSA. The FSA ID also serves as a legal signature when you submit your FAFSA.

Who should create an FSA ID?

You and one or both of your parents must create an FSA ID before completing the FAFSA. If you are an independent student, you will not need to have your parent or legal guardian create an FSA ID. If you have a sibling who attended college before you, your parent may already have an FSA ID.

Starting in Fall 2023, every person contributing information to a FAFSA will need an FSA ID - including parents who do not have a social security number.

What information do I need to create an FSA ID?

- Full name and social security number, as they appear on social security card (if applicable)
- Date of birth
- Valid email address & phone number
- Immediate access to your email account
- Your residential address

Save your FSA ID username and password somewhere safe.
Create a password that you don't use for other accounts, and one that does not contain your name, date of birth, or social security number.

Select your communication preferences for all communications from Federal Student Aid websites.

How do I make the challenge questions?

You will need to select four challenge questions from a dropdown list and provide answers. If you forget your username or password, you may need to answer the challenge questions to access your account.
FSA ID How-to guide
Using and troubleshooting your FSA ID account

Can I edit my FSA ID?
Yes. If your personal information changes or you would like to update anything on your account, you can make changes by logging in at studentaid.gov and selecting “settings” under your account information.

Set up two-step verification to keep your personal information more secure

What if I forget my FSA ID username or password?
You can retrieve your username or reset your password by having a secure code sent to your phone/email. You may also answer your challenge questions, but this option comes with a 30-minute waiting period before you can use your account again.

Make sure the information in the FAFSA parent section (SSN, name & date of birth) matches the information on your parent’s FSA ID account.

What do I do if I need help?
See your uAspire advisor, email studentsupport@uaspire.org, or call the FSA ID help center at 1(800) 433-3243.
