

Appeal Form for Class Eligibility for Financial Aid

_____	_____	_____
Student Name	Student ID	Semester

Before submitting an appeal, please note:

- Aid is not impacted unless you have fewer than 12 credit hours showing as financial aid eligible.
- Your appeal cannot be granted if you are repeating a class to receive a better grade for personal reasons and/or to become more competitive for graduate school.
- Make sure that you have officially declared all desired plans (majors, concentrations, etc.) prior to submitting an appeal. Appeals submitted for classes that are required for plans which have not yet been officially declared may be denied.
- If you are appealing to receive financial aid for a course that needs to be directed in order to satisfy an unsatisfied requirement on your academic requirements report, then do not complete this form. Contact your advisor to initiate a course directive.

Complete this appeal form only if all of the following scenarios apply to you:

1. You have completed a FAFSA and wish to utilize financial aid this semester, **AND**
2. You are enrolled in a class(es) this semester and your "My Class Schedule" in MyMadison displays "No" under the "Eligible for Financial Aid" Column (i.e., the course is not eligible for financial aid), **AND**
