Students who enroll at least half-time (UG - 6 credits and GR - 5 credits) for summer 2021 in an approved program of study may qualify for summer financial aid.

To receive consideration, you must complete these two applications:
1. 2021-22 FAFSA
2. Summer Aid Application (available on our website)

We will use the information from these two forms to determine your eligibility for the Federal Pell Grant and Federal Direct Loan funding during the summer.

If you anticipate receiving the Federal Pell Grant, you should complete the summer aid application regardless of enrollment level.

You can learn more by visiting our website and watching a video explaining the summer financial aid process.

What is Verification?
Verification is a process used by schools to ensure a student’s FAFSA information is accurate. Certain documentation is submitted for our office to review along side the FAFSA. Students selected for this process cannot be awarded financial aid until Verification is complete.

Who is Selected?
Students may be selected due to the FAFSA information being incomplete, inconsistent, or being randomly selected by the Federal Government.

When and How?
Our office will contact students and parents through email if selected for Verification. Any documents needed should be submitted by mail, fax, or in person.

What if?
If you have questions or need to access the forms required of you, please visit our website at:
http://www.jmu.edu/financialaid/verification.shtml

YOU CAN STILL SUBMIT YOUR FAFSA!
Even though the priority filing date has passed, you can still submit your 2021-22 FAFSA.

Go to www.studentaid.gov to complete your application.
