

Communication

JMU Emergency Notification

- ▶ How do I complete the One Book emergency notification step? In [☞ MyMadison](#), you will be asked to enter your cell phone # in case of an emergency phone, since you may not have a US phone # for the time being, select the option of receiving emergency notifications via e-mail only. You will be able to update your information once you have a U.S. phone number

Cell Phone in the US

- ▶ Will your phone plan be working in the US? How will you initially communicate with your family and friends to reassure them that you have arrived safely? What if you need an uber or taxi?
- ▶ Consider obtaining a US sim card prior to your trip.
- With [☞ CampusSIMS](#) you can request to have it sent to your home address, and configure your new card prior to leaving your country, so that you can use your phone as soon as you arrive in the U.S.
