Optional Practical Training: Post-Completion OPT

Optional Practical Training (OPT) provides an F-1 visa holder with an opportunity to gain 12 months of employment experience in his/her major area of study (with an option for a 24-month extension for STEM majors). The 12 months can be used all at once or in increments before graduation, using Pre-Completion OPT, or after graduating, using Post-Completion OPT. If you have used any Pre-Completion OPT time, you will have that amount of time less after graduation on Post-Completion OPT. Example: 3 months of Pre-Completion OPT = 9 months of Post-Completion OPT.

Employment while on OPT must be related to your major field of study. A job offer is not required to apply for OPT, but you must obtain authorization by USCIS prior to beginning employment. OPT is granted for specific dates and cannot be adjusted after it is approved. Once the application is submitted, please allow 90 days for processing.

There are three types of OPT: pre-completion, post-completion, and STEM Extension. The information in this document is for Post-Completion OPT only.

*For more information, please visit the USCIS website on [OPT](https://www.uscis.gov).*

---

**Post-completion OPT** is used after the F-1 visa holder has completed his/her program of study, however it is recommended that you apply 90 days before the program end date on your I-20 form. You may apply for Post-completion OPT up until 60 days after the program end date listed on your I-20, though this is not recommended.

To apply for Post-completion OPT: submit the Anticipated Degree Verification letter request form to the Registrar’s Office, then prepare all of the documents as outlined in this packet. Once ISSS receives the Verification of Graduation letter from the Registrar, ISSS will reach out to you for an appointment to ask questions, review documents, and get your OPT-endorsed I-20 Form, in order to complete the OPT application process online.

The government takes at least 3 months to process OPT applications, which is why it is important to **plan ahead!**
**Post-Completion OPT Online Application Process**

**STEP 1** Submit **Anticipated Degree Verification** letter request (page 6) to the Registrar’s Office

Once ISSS receives the Degree Verification letter from the Office of the Registrar, ISSS will contact you to schedule a meeting so you can ask questions, review documents, and get your OPT-endorsed I-20 Form, **BEFORE** you submit the OPT application (I-765 Form) online.

**STEP 2** Submit to ISSS the **date you would like your OPT to begin**

Pick a **start date** within the 60 days after the Program End Date on your I-20 form. See OPT Timeline in this packet (page 5).

**STEP 3** Begin OPT application by working on the **I-765 Form online** through the USCIS Portal

**STEP 4** Have ISSS check your **I-765 Form**

It is strongly recommended that an ISSS advisor review your I-765 Form, especially if you have questions or concerns about the information you are to submit.

**STEP 5** Submit payment for **application fee = submit I-765 Form**

*Once payment is submitted, your application has been submitted to USCIS!* You will not be able to edit your application after you submit payment. The application fee is non-refundable, and if you need to submit the application again, you will need to pay the application fee again.

**NOTE:** if you submit the application without a valid OPT-endorsed I-20 Form, your application will be denied and you will need to apply again.

**Documentation checklist for Post-Completion OPT application online:**

- Screenshot or PDF of your most recent **I-94 Arrival Record**, which can be retrieved from: [https://i94.cbp.dhs.gov/I94/#/home](https://i94.cbp.dhs.gov/I94/#/home)
- Scans of front and back of any previous **Employment Authorization Document (EAD)** card(s), if previously issued
- Scans of previous CPT- and OPT-endorsed I-20s, if applicable
- Scan of **OPT-endorsed I-20 Form** (you will get this from ISSS)
- **Passport-sized photo** (2 inches by 2 inches) taken in the past 6 months, not used before
  - See additional specifications in application or Completion Guide below.
- Credit card, debit card, or bank routing information to pay the **$410.00 application fee**

Use the **Completion Guide** to help you complete the online I-765 application.
After OPT is filed:
You should receive three documents from USCIS:
1. Receipt notice (issued immediately after submitting online)
2. Approval notice
3. EAD Card (normally within 1-2 weeks after receiving the approval notice; scan front and back of the card to ISSS for your immigration file)

➤ If you receive an R.F.E. (Request for Evidence), contact ISSS immediately.

Employment Reminders

• You MAY NOT work before you receive the EAD card or before the start date on the EAD card.
  - You should receive the Employment Authorization Document (EAD) within 3-4 months from the date on the receipt notice. If it is not received in this time, contact ISSS.
• Employment must be directly related to your major field of study.
• You may not be unemployed for more than 90 days in total while on OPT. If you have been unemployed for more than 90 days on OPT, then you will need to leave the U.S.
• Volunteering/working an unpaid internship for at least 20 hours per week in your major field of study may be considered employment.

➤ Any violation of these and other employment regulations can cause your immigration status to be terminated.

Reporting Requirements

While on OPT, you will remain in F-1 status under the sponsorship of James Madison University, and as such, you must maintain your immigration status:

➤ Report employer name and address, part-time (less than 20 hours per week) or full-time employment (20-40 hours per week), and start date to SEVIS through your SEVIS Portal Account as soon as you accept employment.
  - You will need to provide a statement about how employment is related to your major.
• Update your SEVIS record of a change in employment immediately and report all criteria listed above, including end date of previous employment.
• Update your SEVIS record of a change of name or address within 10 days of the change.
• Keep all immigration documents safe and in valid status.

➤ Any violation of these and other regulations can cause your immigration status to be terminated.

Travel

Before departing the U.S., it is strongly recommended that you contact ISSS about your particular travel situation, as every situation is unique. Below are general guidelines to consider before departing the U.S. while on OPT.

Items needed for entry to the U.S. while on OPT:
- A valid passport; valid at least 6 months into the future
- A valid F-1 visa to reenter the U.S.
- Your most recent Form I-20 with travel signature from an ISSS staff member
- Your valid EAD (Employment Authorization Document)
- Letter of employment

➔ It is strongly suggested that you DO NOT travel outside of the U.S. while your OPT application is pending and before you secure employment.

If you intend to leave the U.S. permanently, inform ISSS of your departure date.

The following two questions are of particular interest while traveling on OPT. The answers are from the ICE website on Travel. Again, consult the ISSS staff before traveling.

1. Can I reenter if my request for Post-Completion OPT is pending?
   Yes, but traveling during this time should be undertaken with caution. USCIS may send you a request for evidence while you are away, however, so you would want to make sure you have provided a correct U.S. address both to your DSO and on the application and would be able to send in requested documents. Also, if USCIS approves your OPT application, you will be expected to have your EAD in hand to re-enter the United States. Like a request for further information, USCIS can only send the EAD to your U.S. address.

2. Can I reenter if I left while on Post-Completion OPT?
   If USCIS has approved your OPT you will be expected to have your EAD in hand to re-enter the United States, in addition to your Form I-20, valid passport and visa, and a letter of employment... If you exceed the limits on unemployment while outside the United States, you will not be eligible to re-enter the United States in F-1 status.
