Optional Practical Training (OPT) – STEM Extension

Optional Practical Training (OPT) provides an F-1 visa holder with an opportunity to gain 12 months of employment experience in his/her major area of study, with an option for a 24-month extension for STEM majors. Employment while on OPT must be related to your major field of study. OPT is granted for specific dates and cannot be adjusted after it is approved. Once the application is submitted, please allow at least 90 days for processing.

There are three types of OPT: pre-completion, post-completion, and STEM Extension. The information listed in this packet is for the OPT STEM Extension only.

---

**OPT STEM Extension** is for F-1 visa holders who majored in Science, Technology, Engineering or Mathematics (STEM)*, are currently doing Post-Completion OPT, have a job in the STEM field, and whose employer is enrolled in E-Verify, an internet-based system operated by the U.S. government used to verify employment eligibility of new hires. The OPT STEM extension is for an additional 24 months.

Note: the name of your major and the name the government gives the major may vary. Check your I-20 form to see if the CIP code for your major is listed as a STEM degree by the government.

To apply for the OPT STEM Extension: prepare all of the documents as outlined in this packet, and scan a copy of the I-765 and the I-983 forms to ISSS. Applications for OPT STEM Extension must be received by USCIS prior to the expiration date of the current Post-completion OPT (listed on EAD card), and you can apply up to 90 days before the expiration date on your EAD card. *Plan ahead!*

**After OPT is filed:**

You should receive three documents from the government:

1. Receipt notice (normally within 2-3 weeks)
2. Approval notice
3. EAD Card (normally within 1-2 weeks of receiving the approval notice; scan front and back of the card to ISSS for your immigration file)

➤ If you receive an R.F.E. (Request for Evidence), contact ISSS immediately.
Employment Rules

- You may work while your STEM OPT extension is pending and before you receive the EAD card.
  - You should receive the Employment Authorization Document (EAD) within 3-4 months from the date on the receipt notice. If it is not received in this time, contact ISSS.
- Employment must be directly related to your STEM major field of study.
- You may not be unemployed for more than 120 days in total while on OPT (Post and STEM).

Reporting Requirements

On OPT, you continue in F-1 visa status under the sponsorship of James Madison University, therefore:

- Inform ISSS of a change in employment immediately including end date of previous employment, start date of new employment, new employer name and address, part-time (less than 20 hours per week) or full-time (more than 20 hours per week) employment, and supervisor's information (first and last name, telephone number and email address).
- Inform ISSS of a change of name or address within 10 days.
- Keep all immigration documents safe and valid.
- Verify your information with ISSS at 6, 12 & 18 months on STEM with updated information on the I-983 form (Evaluation on Student Progress) at 12 months. Failure to verify information at stated times may cause USCIS to automatically terminate your immigration status.

Travel

Before departing the U.S., it is strongly recommended that you contact ISSS about your particular travel situation, as every situation is unique. Below are general reentry guidelines to consider.

Items needed for reentry to the U.S. while on OPT:
- A valid passport; valid at least 6 months into the future
- A valid visa to reenter the U.S.
- Your most recent Form I-20 with travel signature from an ISSS staff member
- Your valid EAD (Employment Authorization Document), if OPT has been approved
- Letter of employment

⇒ ISSS strongly suggests that you do NOT travel outside of the U.S. while your STEM extension application is pending and before you secure employment.

If you intend to leave the U.S. permanently, inform ISSS of your departure date.

1. Can I reenter if my request for Post-Completion OPT is pending?
   Yes, but traveling during this time should be undertaken with caution. USCIS may send you a request for evidence while you are away, however, so you would want to make sure you have provided a correct U.S. address both to your DSO and on the application and would be able to send in requested documents. Also, if USCIS approves your OPT application, you will be expected to have your EAD in hand to re-enter the United States. Like a request for further information, USCIS can only send the EAD to your U.S. address.

2. Can I reenter if I left while on Post-Completion OPT?
   If USCIS has approved your OPT you will be expected to have your EAD in hand to re-enter the United States, in addition to your Form I-20, valid passport and visa, and a letter of employment... If you exceed the limits on unemployment while outside the United States, you will not be eligible to re-enter the United States in F-1 status.
