

International Orientation

- ▶ Transitions is the international orientation program for all new graduates who, like you, come from the 4 corners of the world. Arrive a few days earlier so that we will coordinate your arrival by providing an **airport pick-up** on August 16th and help you sort through the many logistical settling in issues that you will be facing.
- ▶ Overall we want you to put your fears and concerns aside, and be excited about starting your new journey at JMU. Lots of great individuals will be there to assist you and to make these first few students very special and memorable!
- ☺ Make sure to complete the Transitions registration form

Pre-Arrival Online Information Sessions

- ▶ Feel free to also attend these **pre-arrival sessions** to provide you the opportunity to talk to someone face to face (online via Zoom) to help you navigate some or your pre-arrival steps and obtains some answers to your questions or concerns.

10am EST / Harrisonburg Time
