Peace Corps Prep Certificate Program September 2021 Newsletter

I-Week 2021

September 20-24: students, faculty/staff and the public are invited to a week of [globally-focused events](#).

Current PC Prep students are encouraged to join the I-Week [Global Virtual Exchange](#) on September 23. Register in [Zoom](#).

Advising

PC Prep students may e-mail the [JMU Coordinators](#) to set up an in-person or virtual meeting, or *new this year* you may drop in to our [Virtual Office Hours](#) on Zoom (see schedule in Canvas).

If you are a senior working on your Peace Corps application, email our [Regional Recruiter](#), Ms. Soua Pha.

Study Abroad

PC Prep students can complete an intercultural competency requirement by studying abroad in a country where the Peace Corps has been hosted. Check out the list of [qualifying JMU Study Abroad programs](#) and apply by Nov 1st for Summer 2022, Fall 2022 or Spring 2023.

Certificate Completion

Seniors or Juniors: If you plan to complete your PC Prep Certificate this semester, email [Dr. Hart](#) by October 1st to set up a meeting to discuss the Exit Requirements.

All PC Prep students may begin uploading proofs any time in the [Terra Dotta](#) system.

OTHER NEWS

- Check out the upcoming [Peace Corps webinars](#), such as application workshops, identity and the Peace Corps, and choosing a sector or region.
- The [Shenandoah Valley Migrant Education Program](#) is seeking 20 volunteer tutors to work with migrant students (ages 3-22).
- The [JMU Career Clothes Closet](#) fall event for students is September 22-23.
- See the University Career Center events page for [resume and interview workshops](#).
- If you know of students interested in applying to the Prep Program, a [Virtual Info Session](#) is coming up on September 23, and the deadline to apply for fall is October 15.
