

Job ID: GRDSN1

Job Location: Online (Live anywhere)

Part-time internship

Job Summary:

The Pro Sports Outlook Graphics Designer is a master at editing images to make the story come alive. As a key member of the production team, the successful Graphics Designer candidate brings both skill and creativity to the table, collaborating with other content contributors to produce unique, exciting graphics, analysis, and illustrations that stand out from the competition.

Responsibilities:

- Create interesting graphics showcasing relevant facts and upload them into content for a variety of online and social media channels.
- Edit, photoshop, and produce exciting sports graphics based on the instructions given
- Initiate productive interactions with coworkers and clients and together complete the expected assignments based upon timelines and predetermined guidelines
- Perform well under high demand, strict timelines and/or immediately with little supervision
- Operate a wide range of graphic assignments. Organization, efficiency, and planning skills are required
- Conduct quality control and corrective actions to ensure accuracy and quality
- Effectively communicate problem solving efforts, results, and solutions with others
- As necessary, participate in team based projects and contribute recommendations towards departmental objectives

Basic Qualifications:

- Able to meet deadlines during nights, weekends, and holidays when needed
- A minimum of one year of editing graphics or related experience, college internship or related work in a professional environment
- Ability to work in a fast-paced environment that requires quick turnaround edits
- Comfortable working alone without supervision
- Candidates must have good computer & mobile background (Google, Slack, Mobile apps, Streaming services)
- Demonstrates solid knowledge of InDesign or Canva
- Social media savvy (Instagram, Facebook, Twitter, YouTube, etc.)
- Showcases sound communication with timely follow up and problem solving

Preferred Qualifications:

- A minimum of three years of editing graphics or related experience in a professional environment.
- Proven experience editing sports images or other related pictures
- Proficiency with:

- Multiple Adobe Applications (Adobe After Effects, InDesign, Adobe Photoshop, Adobe Illustrator, Premiere, After Effects, Animate, Cinema 4D, etc.)
- Microsoft Office Applications (Word, Excel, Outlook)
- G Suite Applications (Google Docs, Sheets, Slides, Drawings, Hangouts, Drive, and Gmail)
