SRM Students,

If you are planning to complete the SRM 282 practicum or SRM 482 internship course in the Fall 2020 semester, here is what you need to know.

If you already have an existing agreement with an organization, you will need to complete and return to me via email (shonkdj@jmu.edu) either the SRM 282 Practicum Agency Agreement Form or SRM 482 Internship Agency Agreement form by Friday, August 21. You will need to complete the form and have your site supervisor digitally sign it. Once you have the form completed, please return it to me and then we will provide you with information on registering for the course.

For those students who are still looking for a placement site, please continue to monitor the SRM Practicum & Internship site along with Canvas emails from Jen Nelson that are entitled “Hart School Career Development.” We are doing our best to list as many opportunities as possible, particularly remote internships.

Finally, we will continue to monitor the situation with COVID-19 with your safety as our number one priority. It is possible by the Fall semester that practicums and internships are back to normal whereby we follow normal procedures (see Summary Sheet). However, it is also possible that we will be on a revised schedule similar to what we are doing this summer (see Update for Summer Practicums & Internships). We continue to discuss contingencies. As we move closer to the Fall semester, I will be providing you with more information on how practicums and internships will operate.

Best,

Dr. Shonk
