

All guests attending the Medallion Presentation will have to complete and show proof of no symptoms on the JMU LiveSafe app. If guests do not have the LiveSafe app they must print and complete this form. A form will need to be completed for **every individual** attending the Honors College Medallion Presentation.

We appreciate your time and attention to this matter as we strive to keep everyone safe and healthy during our celebration!  
Thank you!

*Prior to entering our location, you must complete this Daily Health Check-In if you do not have a smart phone to use the LiveSafe app check-in. Please keep this form with you and be prepared to show this verification throughout your day on campus.*
