

STUART HALL SCHOOL

James Madison University Stuart Hall Tuition Discount

Dear full-time James Madison employees,

Stuart Hall School is proud to be in partnership with James Madison University and offer JMU full-time employees, faculty, and staff a substantial discount off of Stuart Hall's K-Grade 12 tuition.

Here are the highlights of your benefit:

- Students enrolled in grades K —12 at SHS who are children of full-time JMU faculty and staff will receive a 25% tuition discount.
- SHS guarantees to provide the JMU tuition discount for the remainder of the student's time in the current division.

In addition, we are committed to making a Stuart Hall education accessible to qualified students who could not otherwise afford to attend. Financial aid is available in the form of need-based grants. We encourage all families who need assistance to apply for financial aid, which may be awarded to qualifying families in addition to your JMU tuition discount.
