As per the Clery Act, JMU is required to obtain confirmation from all Campus Security Authorities that they have documented and reported any crimes that were reported to them during the 2024 Calendar Year (Jan-Dec). Also, if they have not reported all crimes that were reported to them during this time, it provides them an opportunity to report the crime. Remember, all alleged crimes listed under the Clery Act must be reported.

A detailed list and definitions of applicable crimes can be found here: [Clery Crime Definitions - JMU](#)
