

May's HR Update

End of the Year Note

Greetings JMU Faculty and Staff,

I wanted to take a moment to thank you for another wonderful academic year here at James Madison University. Our students have grown by leaps and bounds this year, and all of us have played a vital role in that growth. We have grown along with our students—both professionally and personally—and the relationships that we have forged are what make JMU such an extraordinary learning environment.

As I conclude my sixth year at JMU I am reminded daily that your passion for excellence and sense of calling help to make it a true privilege to work here as part of this amazing team. The structures make up the backdrop of the university, but the people are what make this a truly special place to work and obtain an education. I am deeply appreciative of your hard work and dedication as we conclude another successful year. Thank you for all you do.

With gratitude and warm regards,

Jonathan R. Alger

President

Clean the Bay Day Message from Governor Ralph Northam

Dear State Employee:

Our beautiful and historic waterways are among the most precious resources here in Virginia. These waterways work for us all day, every day of the year, providing everything from drinking water to tourism dollars. And on one day each year, thousands of Virginians simultaneously work together to improve the condition of our waterways during the annual ***Clean the Bay Day***, picking up litter and debris at sites all across the Commonwealth.

We hope you will consider joining the effort this year as part of Chesapeake Bay Foundation's milestone 30th Annual ***Clean the Bay Day***, to be held **Saturday, June 2, 2018**, from 9 a.m.-noon at hundreds of sites throughout Virginia.

Your short three-hour commitment, when combined with thousands of other Virginians, has a massive cumulative positive impact. Last year, approximately 6,000 volunteers removed about 100,000 pounds of debris from over 440 miles of stream and shoreline in just three hours.

To register for this event, please visit cbf.org/clean. Some sites do fill up, so please visit the website to sign up for this free event today!

Sincerely,

Ralph Northam

P.S. Twenty-two Virginia state parks are participating in this year's Clean the Bay Day. Pre-registered volunteers will receive a free entry pass for the day at their location.
