## Progression through the Justice Studies Major

Please keep the following requirements in mind as you select courses to progress through the justice studies major. Students should expect to take at least 4-5 semesters to finish the major. We offer very little in the summer so students should not expect to use the summer to reduce this time schedule.

- **JUST 200 is a prerequisite for all JUST courses.**
- **JUST 200 may NOT be taken during the same semester as any other JUST designated course.**
- **You may enroll in a 200 level JUST foundation course(s) for the following semester while you are enrolled in JUST 200.**
- **JUST 200 and a track foundation course are requirements for all 300 level courses.**
- **All majors must complete 6 elective courses designated for their track. Only two of these electives may be non-JUST designated courses.**
- **Also note that Math 220 is a prerequisite for JUST 399, which is in turn the prerequisite for JUST 400**
