**JUST 401: Internships**

Internship inquiries for the Spring of 2015 should be directed to Dr. Hastedt. Requirements are listed on our web site. Please note that 240 hours of work are required. This can be quite difficult to accomplish in an academic semester. Most students do internships over the summer. An internship is not required for the Justice Studies major. Students must be enrolled in the internship course the semester it is being carried out in order to earn academic credit.

**JUST 403: Nelson Institute Seminar.**

Students Wishing to Register for the Nelson Institute Seminar Must See Dr. Beitzel for Permission

The Nelson Institute Seminar is designed to give participants practical experience in doing applied social research with the aim of benefiting a local agency, organization, or issue. You are entering the community as an independent researcher to provide needed and practical research for a professional agency. The seminar will explore issues of connecting the local and the global in Harrisonburg City/Rockingham County. Students will be assigned as independent contractors/researchers to work on specific tasks as defined by local agencies and organizations or interest group. For example, you can choose to work with various offices dealing with immigration, education, or health, criminal justice, etc. A list of agencies and organizations will be provided (such as, but not limited to, Building Bridges and Refugee Resettlement are local organizations that deal with immigration issues; Building Justice is a local grassroots organization that deals with criminal justice alternatives; The Fairfield Center deals with alternatives to litigation for all populations; the local hospital and various associated agencies address issues of health, the Department of Juvenile Justice, and so on…). You may choose an agency of your choice with the permission of the instructor.

**JUST 499: Honors**

All students who are doing an honors thesis in the department regardless of what stage in the process they are in or who their advisor is must enroll in JUST 499 A,B, or C. The course will meet periodically. Interested students should contact Dr. Hastedt for enrollment information and permission.

**OVERRISE POLICY**

JMU uses an AUTOMATED WAIT LIST SYSTEM. If a course is closed you will be given the opportunity to place your name on a wait list for that course/section. Students will be automatically taken off of the wait list if seats become available. We cannot issue overrides if a waiting list is currently in place.

Justice studies will use this format for all courses except just 399 and just 400. You will still put your name on the wait list but we will put students into the course on a case-by-case basis. **Should you have any problems registering you need to contact the department immediately.**
