

## SUMMER 2015 REGISTRATION INFORMATION FOR JUSTICE STUDIES MAJORS & CRIMINAL JUSTICE MINORS

Registration for 2015 summer classes has begun. Please read this communication carefully if you are considering going to summer school at JMU. Justice Studies is offering both on-line classes and traditional summer class at JMU.

Here are some important items:

### **JUSTICE STUDIES**

JUST 200 will be offered on-line in the FIRST summer session.

JUST 210 will be offered on-line in the SECOND summer session

JUST 235 will be offered on-line in the FIRST summer session.

JUST 400: will be offered as an independent study in the FIRST summer session. Enrollment is by permission only

### **CRIMINAL JUSTICE**

CRJU 215 will be offered on-line in the first summer session.

In the criminal justice minor we are offering CRJU 215 on line.

### **JUSTICE STUDIES (JUST 400) AND CRIMINAL JUSTICE (CRJU 400) INTERNSHIPS**

Both the CRJU and JUST internship courses require 240 hours of work as well as written work. The JUST internship course may count as a track course if it is relevant to the track and the paper is appropriate to the track. Additional information on the internship course and application forms can be found on our home page.

You must enroll in the course during the summer to obtain credit. You cannot do the internship in the summer and sign up for it in the fall to receive credit. Students will be enrolled in either the first or second four week session but you can do the internship hours as you wish. Most students receive an "I" for the course and turn in the papers in the first month of the fall semester.

### **TRANSFERRING COURSES INTO JUSTICE STUDIES OR CRIMINAL JUSTICE**

If you are considering going to summer school elsewhere make sure to get your courses approved in advance so there is no doubt they will count. They must be approved by the home JMU department. That is, a political science course must be approved by the political science department. Justice Studies can approve criminal justice courses.

Remember, there is a limit on how many courses can be transferred into JMU from two year institutions and how many courses must be taken at JMU. Both JUST and CRJU place limits on the number of courses that can be transferred into the major. If you have any questions please see your advisor or contact Ms. Daisy Breneman who is our departmental academic advisor.
