Introductory Letter

On behalf of the Section Leaders, we are excited to welcome you to the 2023 season of the JMU Marching Royal Dukes, and more specifically, the TRUMPET SECTION!!! Hope you are all having an amazing summer and can't wait for what this season will hold for us.

As the summer comes to an end, it's time to prepare for the season ahead. The trumpet section is an energy-filled section that thrives off of the enthusiasm and talent of its amazing members! Throughout the years, the trumpet section has formed a culture of being prepared and focused during rehearsals, while knowing when to relax and have a good time. In this presentation, you will find contents that will help you prepare for this upcoming season, including the introductions of the 2023 Section Leaders, what to bring for band camp and the fall season, and some important dates and resources.

Sometime before the season, a Section Leader should reach out to you, but if you have any question, concerns, or wanna say hello, feel free to reach out!
