### **Music and You** **How you can make a difference!**

Dear Patron,

Thank you for attending today's performance. The opportunity to hear live music is a refreshing change during these times of social distancing. As demonstrated today, the performing arts are faced with unprecedented challenges. Despite these difficult times, the JMU School of Music continues to educate the finest musicians from around the world. Our commitment to our students has not wavered in the face of this pandemic. Preparing artist and arts educators of the future is our mission.

Scholarship contributions help young musicians blossom into mature musical artists. With your support, we will be able to offer our talented students more financial help in pursuing their goals. If you are interested in supporting our students' passion and dedication, please consider contributing to the [Music Scholarship Fund](#) at James Madison University.
