

Left: My dad holding weeds from the garden. Middle: Mom washing her hands. Right: Homemade tacos for dinner.

FAMILY LIFE IN QUARANTINE

BY: NATALIA SETH

The Seth household (which consists of me, my mom, and my dad) has been quarantined together for the past month. We've been peacefully adapting with hardly any bumps in the road. Every day we have our own work hours, my parents go on their daily walk, and then we all finish the day with a family dinner.

Top: Dad working in office. Bottom Left: Dad kissing mom during walk. Bottom right: Mom working in office.
