

WELCOME MILITARY CONNECTED STUDENT VETERAN

JMU is honored that you have selected our university to continue your education.

JMU values your service and the unique perspective that you bring to our student population. This is a quick reference guide of campus and local VA services that may be of use to you during your transition.

JMU defines military-connected as any student who is currently serving on active duty, in the National Guard or the U.S. Reserve, a veteran (anyone with prior military service regardless of whether you retired or your characterization of discharge), a dependent spouse or dependent child, or a surviving dependent of a deceased service member. This definition applies to students affiliated with the Army, Marine Corps, Navy, Air Force, Coast Guard, Space Force, and National Guard.
