

First-Year Summer Orientation

Student Schedule

Virtual - July 17

University Welcome

We look forward to officially welcoming you to the JMU community. You will learn more about academics and preparing for college.

Becoming a Duke

Your OPA will be instrumental in helping you with your transition. They have tips and information about what life will be like as a JMU student, and give you the scoop on how to succeed academically and socially. Learn about the expectations of being a part of the JMU community while learning about resources that can aid you in your transition.

Your College Home

We expect you to make informed decisions about your academic career. Based on your major, college leadership will share information about how to progress and be successful academically.

Connections

Coming to college provides opportunities to connect with new people and experiences. This session focuses on building the skills to make meaningful connections when you arrive in August.

Campus Showcase

Learn about all of the resources and programs that are here at JMU to support you. You'll have the chance to attend two breakout sessions, based on the selections you made while completing your Orientation Reservation and Declaring a Major step in the New Student Checklist.

Program Assessment & Campus Connections

We want to know about your Orientation experience. Once you've taken our survey, reach out to campus departments to get any remaining questions answered.
