JAMES MADISON UNIVERSITY • OFFICE OF RESIDENCE LIFE • B101 HUFFMAN HALL • (540)568-7576

ALL residence halls will close at 8:00 pm on Thursday, May 2, 2019

Check out procedures

STEP 1: PREPARING FOR CHECKOUT

1. Attend a hall closing community meeting in your building. If you cannot attend one of the meetings, see your RA or Hall Director. In this meeting, hall staff will inform you about checkout information.
2. If you choose the standard checkout option for your building, follow hall staff instructions for scheduling that checkout time with an RA.
3. If you are choosing the express checkout option for your building, see your RA or Hall Director for an express check out envelope.
4. Regardless of the checkout option you choose, coordinate in advance with the individual(s) helping you move out of your hall.
5. Refer to all dates, deadlines and information on this closing notice to prepare for a successful checkout from your residence hall.

STEP 2: PREPARE ROOM FOR CHECKOUT

1. Before departure, remove all personal belongings from your room, bag your trash, and take it to the dumpsters located in your area.
   
   You will be responsible for any trash left in your room, hallways, bathrooms, or public areas. Items that are clean, unbroken, and useful can be left at the appropriate locations and will be given to charitable organizations as part of the Why Wait? Donate! program.
   
2. Lock the windows and pull roller shades or blinds down/close slats.
3. Be sure to keep your room door locked at all times during closing.
4. Broom sweep your room.
5. Remove nails, tape, putty, etc. from walls, ceilings, and doors. Any damage caused by adhesives may be billed to the residents of the room. Have a conversation with your roommate and RA about who will take responsibility for any potentially billable damages.
6. Check that all drawers and closets are empty.
7. Return the room furniture to its original configuration. When all belongings have been removed from your room and suite bathroom (if applicable), close and lock your room door.

STEP 3: FINAL DEPARTURE

1. If you are choosing standard checkout, follow the instructions from your hall staff for completing the checkout process.
2. If you are choosing express checkout, complete ALL information and checkout steps on the express checkout envelope. Put your room key inside the envelope and seal the envelope. Place the completed express checkout envelope in the hall office mail slot, mailbox, or slide it under the hall office door.
3. Enjoy your summer break!

The Office of Residence Life makes final billing decisions, not your RA or Hall Director.

Failure to check out properly will constitute an improper check out and may result in a minimum fine of $50.

If you have any questions or concerns about check out procedures, please discuss them with your RA or Hall Director.

Check out information

The following information outlines proper year-end check out procedures; please read this information thoroughly!

CHECK OUT TIMES

All students are expected to check out of their residence hall 24 hours after their last exam and no later than 8pm on Thursday, May 2nd.

Permission is granted only to graduates, relatives of graduates, and those working graduation. Residents who have been granted permission to remain in the hall must check out by 3pm on Saturday, May 4th.

FINAL ROOM CONDITION REQUIREMENTS

When you check out of your room, its condition should be similar to the condition it was in at check in. All rooms must be neat and free from trash upon check out. There will be a minimum fine for unusually dirty rooms and/or for trash remaining in rooms and bathroom suites (if applicable).

ROOM FURNITURE

All furniture that was in the room at check in, must be returned to your room before you check out. Fines or bills for the cost of missing furniture may be assessed. Beds should be properly assembled and unbroken unless in a temporary triple space.

TRASH / RECYCLING / DONATIONS

All trash should be bagged and taken to the designated trash space located in your area during closing. Recycling should be taken to your hall recycling center. Items you wish to donate to Why Wait? Donate! should be taken to the appropriate locations in your hall. If it’s clean, unbroken, and useful, we'll give it to charitable organizations to keep it out of the landfill.

KEYS

Keys must be returned when you check out. The charge for an unreturned room key is $50. All rooms with a lost key will have the locks changed.
