To Prospective Tutors:

- ❖ Complete the application indicating the subjects in which you feel interested and competent to tutor.
- ❖ Please have your advisor or a professor (whichever is appropriate) sign the application.
- ❖ When you have the form completed, please return it to the First Year Involvement Center (Huffman A100), so you can be added to the list of available tutors.
- ❖ The student requesting a tutor will contact you and it is between the two of you to negotiate whether or not it is convenient for you to tutor. You are not obligated to tutor someone just because they receive your name from the First Year Involvement Center.
- ❖ It is up to the two of you to settle on a place, time, and fee.
