Financial Assistance

Describe payment plan options if applicable

Dues are paid in three installments each semester to break up the total amount due by each member. These installments are a third of the total amount due and are billed on the 15th of each month. If a member has trouble paying this, Promissory Notes are granted on a case-by-case basis to further distribute the amount owed.

Fees quoted are based on estimates at the time of document preparation. Chapter payment plans may be offered; please discuss financial questions with the chapter finance officer.
