The Row

All Greek Row facilities will be closed as of March 29, 2020. Students needing accommodations to remain on campus should contact Lexi Swinimer at swinimak@jmu.edu for assistance. It is our strong recommendation that students not return to off-campus housing and remain home with families if possible. If you live in a Greek Row facility, please check email from Lexi Swinimer on 3/18/20 regarding move out instructions.
