Under the Code of Virginia, on a space available basis, Virginia residents 60 years or older may register for and attend up to three non-credit continuing education (CE) courses/programs per year without payment of instruction-related fees. This exemption does not apply to out-of-pocket expenses such as course materials or lab fees associated with non-credit continuing education programs.

Registration to a non-credit course under this waiver will occur after all tuition-paying students have been accommodated. Interested seniors need to complete and submit this form within ten days prior to the first day of class along with a copy of ID and payment for course materials. Participants are required to contact us to determine space availability and any fees associated with course materials, etc.
