YOUTH PROGRAMS FINANCIAL ASSISTANCE FORM

School of Professional
& Continuing Education

Why do you need financial assistance for your child to attend the program? Give specific details to support your need. Please note: the space below must be completed for your application to be processed. Attach a separate sheet of paper if you need additional space.

Youth Programs is able to provide financial assistance to students who have not been offered assistance from us within the past 12 months. While we cannot guarantee assistance for every applicant, we hope that no one will be discouraged from applying to our programs because of cost.

Requests for financial assistance will be considered on a rolling basis, and applicants will be notified within 21 days of applying. There is no deadline for applying for financial assistance, but earlier requests submitted prior to program start dates are more likely to be honored.

In order to be considered for financial assistance, a registration form is also required. Please submit financial assistance form and registration form by email to youthprograms@jmu.edu or by mail to:
