If you have questions regarding your readiness to apply this cycle, please schedule an advising meeting with your assigned advisor and provide a draft of this form.

### Personal Background

Full Name:

Preferred Pronouns

JMU Email:

State of Residence

Alternate Email:

JMU Graduation

What health profession(s) program will you be applying?

In 1-2 paragraphs, describe your activities since your previous application, including ways that you have improved your candidacy.

In 1-2 paragraphs, describe your current purpose and motivation for pursuing your intended career.

---

## Academic Preparation

Please list chronologically by year all the biology, chemistry, physics, and math courses you have taken since your previous application and note the grades.

List any additional science course you plan to take before you apply. Note that the minimum GPA for pre-requisites is a C- for most schools.

Please report your MCAT/DAT scores (by section and total). If you plan to re-take, report your scheduled test date.

## Self-Assessment

What areas of your candidacy do you hope to continue to improve before you apply? Include ideas on how to address these areas before/as you apply.

What questions or concerns do you have about the application process at this point?

Tell us something interesting or unique about you that we don't already know:
