Dear JMU Community-

Procurement Services is pleased to introduce a new quick-ship furniture program available through our contracted partnership with The Supply Room, "TSRC". The program includes specifically selected furniture pieces for purchases under \$10,000. The Supply Room is a small, woman-owned business and is our mandatory contracted source for office supplies. This quick ship furniture program is intended to offer price savings, expedited delivery time, and improved efficiency for campus buyers when purchasing from the selected quick ship items.

Select furniture may be accessed through The Supply Room's eVA punch-out catalog and the designated TSRC Quick Ship Furniture Program link, and purchased using the small purchase credit card. We welcome your feedback on this new program!

Best Regards,

Katie Weaver  
 Director of Procurement Services
