Procurement Services is pleased to offer a quick-ship furniture program available through our contracted partnership with The Supply Room, “TSRC, inc”. The program includes specifically selected furniture pieces for purchases under \$10,000. The Supply Room is a small, woman-owned business and is our mandatory contracted source for office supplies. This quick ship furniture program is intended to offer price savings, expedited 7-10 day delivery time, and improved efficiency for campus buyers when purchasing from the selected quick ship items. All prices include inside delivery.
