Please help us make each participant feel welcomed and safe during Intramural Sports. Remember at JMU, [Sportsmanship Lives Here!](#)

Article 3: Captains

The team captain is responsible for the actions of their team and spectators. SECTION 11: PROTESTS

Article 1: Rule-Related Protests

Questions pertaining to interpretation and/or application of rules on the part of sport officials must be posed by participants and resolved by the Intramural Sports Site Manager or Sport Official in charge of that field/court at the time the play occurs and prior to the next live ball. The procedure shall be:

1. If a team/participant feels the official has made a misinterpretation or misapplication of a rule, the team captain shall calmly and immediately request a time-out and inform the official that they wish to have a ruling on the interpretation or application by the Intramural Sports Site Manager or Sport Official overseeing the game site.
2. No protest which involves the judgment of the sport officials shall be honored. The judgment of the official(s) is final. This also includes Intramural Sports staff when necessary.

Example: One foot in-bounds while in possession of the ball constitutes a legal catch in Flag Football.

Case 1: An official rules a pass incomplete because the “player did not have two feet in bounds. This is a rule misinterpretation, which can be legally protested.

Case 2: An official rules a pass incomplete because the “player’s first foot landed on the sideline.” This is a judgment call, which cannot be legally protested.

3. If corrections are necessary, the Intramural Sports Site Manager or Sport Official shall rule immediately and the team/participant shall not be charged with a time-out. However, if the official’s interpretation or application of the rule was free from error, the protest will not be upheld and the team/participant will be charged with a time-out.

Article 2: Eligibility Protests

If a team feels that a member or members of the opposing team are participating illegally according to the eligibility requirements outlined in Section 2 of this manual, that team should inform the Intramural Sports staff that they would like to file a protest regarding an illegal participant.

Brackets for leagues that do not have an online playoff draw will be filled based on the standard seeding structure stated in Article 3.
