3. Lane 1 and lane 6 will be roped off and marked as “Artillery Lane”. These areas are designated for use of the teams with five total players. Since four players must be in the boat, the fifth will be allowed to be in personal water tube and can attack their opposing teams’ boats from the perimeter. However, these players may not enter the main playing area or make physical contact with any boats. Failure to abide by these rules will result in disqualification.
4. Participants cannot “bail” water out of their own boats. If a participant is caught “bailing”, there will be a five second penalty where the whole team will have to put their hands in the air, making themselves vulnerable to attack. An official will determine the five seconds with a stopwatch.
5. Participants are allowed to catch or block water from entering their own boat as long as a shield is used.
6. Participants are NOT allowed to hold, rock, or push down on other boats.
7. Once a boat is sunk, its players may NOT touch other boats still in play. They must remove themselves from the pool and wait until the round is over. The eliminated team’s artillery will also be removed from “Artillery Lane” and will not be able to attack.

Scoring/ Format

1. Scoring will be based on survival.
2. The first round will consist of eight heats with eight boats per heat. During this round, game play will continue until there are four remaining boats. The four remaining boats will be placed into the *Admirals Cup*, and the four eliminated boats will be placed into the *Recruits Cup*.
3. In the second round, there will be four heats with eight boats per heat. During this round, game play will continue until there is a single winner. This single winner will advance to the championship round. All other boats are eliminated. This process will be repeated twice, once for each Cup.
4. The Championship round will consist of a single heat of four boats. This round will be played until there is one last boat standing. Again, this process will be repeated twice, once for each Cup.
5. In the end, there will be two champions: Admirals Cup Champion and Recruits Cup Champion.
6. There will also be an additional award to the team that has the most creative costume or uniform.

Sportsmanship Philosophy

Sportsmanship is individuals or teams doing unto others as they would have others do unto them. Sportsmanship is individuals containing an understanding and appreciation of the rules developed for sport. Players enjoying the recreational experience and encouraging others to participate regardless of skill level will help enhance the integrity of the program. All participants will take responsibility for his/her own actions regardless of the repercussions, which involves not blaming others for mistakes made or making excuses for wrong doings. Sportsmanship is recognizing and acknowledging character and honor among team members and opponents while practicing such characteristics themselves. Participants will respect officials, supervisors, and opponents during, before, and after a contest. Finally, sportsmanship will portray an overall respect and passion for the sport and recreation.

Sportsmanship Mission

UREC and the Intramural Sports program are dedicated to promote and enforce positive sportsmanship among all JMU participants. Through each contest participants must portray fair play, respect for opponents, and intramural staff, as well as, graciousness in winning or losing. In order to encourage proper conduct during games, officials, supervisors, and administrative personnel will make decisions to warn, penalize and/or eject players, coaches, teams, and/or spectators for poor sportsmanship. The decisions made by these individuals are final and will be reviewed by the Coordinator of Intramural Sports. In the instance teams challenge their rating, only the captain will meet with the Coordinator of Intramural Sports to discuss the issue. **All captains are responsible for the conduct of their teams during an intramural contest.** The sportsmanship rating can be affected by actions occurring before or after a contest.

Sportsmanship Criteria and Ratings

Based on this philosophy the following system will be used to evaluate a team's sportsmanship during each contest in which they participate:

Teams will receive a rating each week that will create an average at the end of the season. Teams in **Level I** must have an average of 3.0 at the end of their fourth week to continue play. Teams in **Level II** and **Level III** must have an average of 3.0 to be eligible for playoffs.

Example:

Week 1: 3.0

Week 2: 3.0

Week 3: 2.5

Week 4: 3.0

Total 11.5

Average Conversion: $11.5 / 4 = 2.875$. This team would not be eligible for continued play or playoffs.
