Rules Section

Singles

3. The server changes from one player to the other every time five points are scored, except when the score becomes tied 20-20. At this time, the serve changes and continues to change after each point until one player scores two consecutive points, thus winning the game.

4. The server puts the ball into play by tossing it into the air from the palm of one hand and striking it with the paddle (held in the other hand) so that it hits his/her own court. The ball goes over the net and hits the receiver's court. The receiver must return the ball over the net so that it hits the server's court. Play continues until one player fails to make a legal return. The opponent then scores a point.

5. If the ball hits the net on the serve and goes over, it is a LET and the server serves again. However, if the second serve is a LET, the player loses the point.

Doubles

1. The pair winning a coin flip may choose either end of the table or the right to serve or receive first. If they choose an end, the other pair has the choice of serving or receiving first.

2. The server shall first make a good service, the receiver shall then make a good return, the partner of the server shall then make a good return. The partner of the receiver shall then make a good return, the server shall then make a good return and thereafter each player alternately in that sequence shall make a good return.

3. After each game the pairs shall change ends. The pair serving first in the previous game shall become the first receivers in the next game and vice versa. Rule #3 (above) shall then be in effect.

4. If the ball hits the net on the serve and goes over, it is a LET and the server serves again. However, if the second serve is a LET, the player loses the point.
**Sportsmanship**

**Philosophy**
Sportsmanship is individuals or teams doing unto others as they would have others do unto them. Sportsmanship is individuals containing an understanding and appreciation of the rules developed for sport. Players enjoying the recreational experience and encouraging others to participate regardless of skill level will help enhance the integrity of the program. All participants will take responsibility for his/her own actions regardless of the repercussions, which involves not blaming others for mistakes made or making excuses for wrong doings. Sportsmanship is recognizing and acknowledging character and honor among team members and opponents while practicing such characteristics themselves. Participants will respect officials, supervisors, and opponents during, before, and after a contest. Finally, sportsmanship will portray an overall respect and passion for the sport and recreation.

**Sportsmanship Mission**
UREC and the Intramural Sports program are dedicated to promote and enforce positive sportsmanship among all JMU participants. Through each contest participants must portray fair play, respect for opponents, and intramural staff, as well as, graciousness in winning or losing. In order to encourage proper conduct during games, officials, supervisors, and administrative personnel will make decisions to warn, penalize and/or eject players, coaches, teams, and/or spectators for poor sportsmanship. The decisions made by these individuals are final and will be reviewed by the Coordinator of Intramural Sports. In the instance teams challenge their rating, only the captain will meet with the Coordinator of Intramural Sports to discuss the issue. **All captains are responsible for the conduct of their teams during an intramural contest.** The sportsmanship rating can be affected by actions occurring before or after a contest.

**Sportsmanship Criteria and Ratings**
Based on this philosophy the following system will be used to evaluate a team’s sportsmanship during each contest in which they participate:

Teams will receive a rating each week that will create an average at the end of the season. Teams in **Level I** must have an average of 3.0 at the end of their fourth week to continue play. Teams in **Level II** and **Level III** must have an average of 3.0 to be eligible for playoffs.

**Example:**

<table>
<thead>
<tr>
<th>Week 1</th>
<th>Week 2</th>
<th>Week 3</th>
<th>Week 4</th>
<th>Total</th>
</tr>
</thead>
<tbody>
<tr>
<td>3.0</td>
<td>3.0</td>
<td>2.5</td>
