5. To search for courses from an outside institution, select “Will My Courses Transfer?” at the top right of your screen.

The screenshot shows the Transferology website interface. At the top right, a red arrow points to a navigation link labeled “Will My Courses Transfer?”. Below the navigation bar, the page title is “Will My Courses Transfer?”. The main content area includes a search form with fields for “School Name”, “Taken” (with a dropdown menu set to “Winter” and “2020”), and “Department”. To the right of the search form is a section titled “My Courses” with the text “Start adding classes here”. The footer contains the CollegeSource logo, contact information, and version details.

6. Search the name of the institution you are transferring from in the “School Name” field.

The screenshot shows the search results for the “School Name” field. The search term “blue ridge” is entered, and the results are displayed in a table. The table has three rows, each representing a different Blue Ridge Community College with its corresponding state abbreviation in parentheses.

School Name	State
Blue Ridge Community and Technical College	(WV)
Blue Ridge Community College	(NC)
Blue Ridge Community College	(VA)

7. Enter and select the department that the transfer course falls under.

**→ Will My Courses Transfer?**  
See how your courses will transfer to another school. Enter your coursework and search for matches.  
Don't want to transfer? [Find a Replacement Course](#) that you can take elsewhere for credit at your current school.

3 Matches

The matches below indicate specific courses you may be awarded after completing and transferring, assuming you earned a passing grade in the transferred course. Matches may change depending upon your major.

Courses from:

**Blue Ridge Community College** [Expand all notes](#)

- ENG111 College Composition I 2020 → WRTC100
- ENG112 College Composition II 2020 → WRTC103
- BI0141 Human Anatomy and Physiology I 2020 , BI0142 Human Anatomy and Physiology II 2020 → BIO270, **BIO290 ⓘ**

**Notes about this transfer rule**

Student must complete both parts of the course at the same institution to receive BIO 270 and 290 credit, or the course transfers as an elective effective beginning fall 2013. Online labs for these courses are not recommended, particularly for pre-profess

11. You may also search for equivalents using the JMU course by selecting the “Find a Replacement Course” search option.
