Choice Act Section 702 and 417
Effective July 1, 2017, out-of-state Post 9/11 users may qualify for in-state if they are a:
- Dependent of Active Duty service-member; or
- Dependent of a recently discharged Veteran (discharged within 3 years of student enrolling at JMU); or

Ask us about qualifying and the required documentation

Yellow Ribbon
Post 9/11 users at JMU are only eligible for Yellow Ribbon if they are:
- An undergraduate student, and
- Charged out-of-state tuition, and
- At the 100% eligibility tier

You must complete our YR application, available on our website. We have 3 total spots and additional applicants will be placed on a waitlist.

It offers up to $3,000 per semester ($1500 from JMU & $1500 from VA). Yellow Ribbon is not available for summer terms.

Scholarships and Post 9/11
Scholarships can impact the tuition portion provided by Post 9/11. We must have, in writing, documentation stating what the scholarship money can cover:

- Tuition/fee only – scholarship amount will be deducted from instate tuition reported to VA.
- General (can pay other costs in addition to tuition/fees) – scholarship amount will NOT be deducted from instate tuition and can be used to cover other educational expenses.

Requesting Benefits after 1st Semester
- After the first semester, the JMU Request for Educational Benefits form (Step 4) is the only required form a student needs to provide each semester to request benefits.
- The form is emailed from auto_notification@jmu.edu and requires all major courses to be signed by the major advisor.
- We email students prior to registration about the required form. The form is emailed directly to the student’s JMU dukes email account after registration.
- Parent is not notified during this process.

Your Financial Obligation Each Semester
- JMU will wait on VA’s portion of in-state tuition. If you are out-of-state and/or <100% eligible for Post 9/11, you must pay the tuition difference upfront by using financial aid, allowed scholarships, lump payment or include the amount in the payment plan.
- Post 9/11 tuition will be reflected on student’s account as “Reported GI Bill” once enrollment has been submitted to VA. It will then show on the account as “Post 9/11 GI Bill” when the money arrives from VA.
- IMPORTANT: Tuition differentials and course fees are always reported later in semester (roughly 6-8 weeks in the term).
- You must pay your room rent and/or meal plan charges upfront by the UBO deadline.
- Due to JMU’s payment structure, any payment/aid is directed to tuition first. Once VA pays tuition, all other payments/aid will be adjusted to cover their intended charges.
- UBO Payment Plan Questions? Call 540-568-6505 or visit www.jmu.edu/ubo.
- Financial Aid questions? Call 540-568-7820

Required Classes for Graduation Only

- General education
- Degree requirements (BA, BS)
- Declared major requirements
- Declared minor requirements
- Allowed electives to reach 120 credits (after all other required credits are accounted for)
