Chapter 33 GI Bill®
Post 9/11 for
Active Duty & Veterans

Requesting Benefits after 1st Semester
- After the first semester, the JMU Request for Educational Benefits form (Step 3) is the only required form a student needs to provide each semester to request benefits.
- NO FORM = NO MONEY
- The form is emailed to your dukes email account from Auto_notification@jmu.edu and requires all major courses to be signed by the major advisor.
- We email students prior to registration about the form and then the form is emailed directly to the student’s dukes email account.

Your Financial Obligation
- JMU will wait on VA’s portion of in-state tuition. If you are out-of-state and/or <100% eligible for Post 9/11, you must cover the tuition difference upfront.
- Post 9/11 tuition will be reflected on student’s account as “Reported GI Bill” once enrollment has been submitted to VA. When the funds arrive from VA, it will then show as “Post 9/11 GI Bill” on student’s account.
- Tuition differentials and course fees are always reported later in semester.
- You must pay your Room Rent and/or Meal Plan charges upfront by the UBO deadline each term, if applicable.
- Due to JMU’s payment structure, any payment/aid is directed to tuition first. Once VA pays tuition, all other payments/aid will be adjusted to cover their intended charges.
- UBO Payment Plan Questions? Call 540-568-6505 or visit www.jmu.edu/ubo.
- Financial Aid questions? Call 540-568-7820

- General education
- Degree requirements (BA, BS)
- Declared major requirements
- Declared minor requirements
- Allowed electives to reach 120 total credits/60 credits at 4 year institution (after all other required credits are accounted for)
