New Protocols

Protocol #	Minutes	PI	Move to Status	# Yes Votes	# No Votes	# Abstained Votes	Reconciled
00000092	The principal investigator provided written responses to the IBC reviewers' comments prior to the meeting. The IBC members discussed the safety information in the protocol. While students may be exposed, the bacteria are not human pathogens and not a threat to humans. The principal investigator should clarify potential threats of exposure in the protocol. Protocol revisions will be sent out for designated review.	May, Frank Scott	Modifications Required	5	0	2	Yes
