Meeting Minutes

Meeting Date	08/25/2026
Meeting Location	Zoom
General Notes	The meeting was convened by the IBC Chair with quorum present at 9:07 AM. The IBC members discussed the fall meeting schedule. IBC support staff will send out a poll to find out everyone's availability. There are plans for two new campus buildings with lab spaces. The IBC members would like to provide suggestions on the lab spaces as those facilities are being built. The ORIC Associate Director will notify REDI leadership about this issue. The IBC Chair stated that the Standard Operating Procedures (SOP's) should be reviewed to ensure that they are current. The IBC discussed that the microcredentialing program through the Bioscience Core Skills Institute (BSCI) aligns with the Madison Promise's Pillar One, "Enhance the Purpose, Value, and Impact of a JMU Education." This program involves providing hands-on lab experience and work experience for students. Students and faculty take tests to earn microcredentialing badges. Funding should be obtained so that the program can be affordable for students.

Attendees

Committee Member	Attended?
Berndsen, Christopher E	Yes
Field, Amanda M	No
Hildabrand, Annette Krarup	Yes
Holton, Kortnie Elizabeth	Yes
Love, Michael Randolph	Yes
Morgan, Cynthia Southerly	Yes
Mullenax, Marcella R	Yes
Rife, Terrie Kay	Yes
Sanson, Amanda Glenn	Yes
Tillman, Carrie Elizabeth	Yes
