Associate your SSO account with a CITI Program account

Please choose an option:

- I already have a CITI Program account.
- I don't have a CITI Program account and I need to create one.

If you already have an established CITI account, the JMU login will take you directly to the Main Menu page.

**\*\*Note:** If you did not use your JMU e-ID previously, the system may not be able to find your account. You will need to login with your current CITI Program username and password (click on the first login tab) and update your registration information under "Update Institutional Profile."

**For new users, you will see the following screen:**

Create a new CITI Program account

By clicking the button below, you will create a new CITI Program account.
