Grow your Spirit!
Grow Your Spirit

A note from our Senior VP

Dr. Mark Warner

I love this edition’s theme of growing your spirit. It got me thinking. The architecture of people is interesting: composed of mind, body, and spirit. Think about how much time you spend working on the physical structure – exercising, dieting, coloring your hair (if you have hair), and decorating your frame with fabrics. You also spend a lot of time cultivating your mind – reading, discovering, questioning, and learning.

For many of us though, the spirit remains a mystery waiting to be unleashed so that it can serve as a force to guide our lives. Why are we reluctant to search for self, which is really searching for spirit? There are many, many riches to uncover when we discover our spirit.

In order for each of us to live a fulfilling life, we must seek, explore and discover ourselves. We need to ask difficult questions such as:

Who am I?
What is my purpose in life?
What are my values?
How can I make a difference in my family, my work, and my community?
What guides my daily living?

When we truly ask these questions, we solidify our sense of self and enrich our sense of spirit. And we all know, that the better we know ourselves and nourish our spirits, the better we serve others.

Thank you so much for unselfishly serving others and transforming lives.

Create a great day!

Mark
Departmental Updates

Career and Academic Planning

Sarah Kohut Brearly joined CAP in July as an academic and career advisor as well as liaison to the science and math departments. She came to us from Gwynedd-Mercy College Philadelphia, PA where she served as associate director in Career Services.

Emma Maynard joined CAP in July as a recruiting assistant. She came to us from Rosetta Stone where she worked in Human Resources.

Community Service-Learning

Recent Alternative Break Programs (ABP) accomplishments include preparing two fall weekend breaks, three Thanksgiving breaks, and preparation for 30 spring break trips (8 are international and 3 are course-based). If you are still interested in partnering with the Alternative Break Program, students will be confirming learning partners for spring break at the beginning of November and applications for May break small group leaders are due November 12. We would love for you to join us!

Misty Newman, Assistant Director for Alternative Break Programs, Community Service-Learning

Counseling and Student Development Center

Since the time of the last Chronicle, Patricia Crocker, Ph.D., has moved from being employed as a part-time staff psychologist to a full-time, permanent position. Additionally, she recently passed her licensure exam, so she is working under the title of Staff Psychologist and will be the CSDC’s liaison to JMU Athletics.

Congratulations to Dr. Rachel Friendly who recently passed the Examination for Professional Practice in Psychology, allowing her to use the title of Licensed Clinical Psychologist.

Office of Judicial Affairs

RJ Ohgren, a JMU alum, has returned to JMU to serve as the Coordinator for Substance Education. After spending two years in Boone, NC completing his Master’s Degree in College Student Development at Appalachian State University, he’s glad to be back at a place that feels like home. He’ll have oversight of the substance related sanctioned programs, manage edits and changes to the student handbook, and meet with students in Administrative Option Hearings.

Taylor Logan has joined the Judicial Affairs team to serve as the Interim Coordinator of Civic Learning. Originally from Greensboro, North Carolina and an alum of Appalachian State, she and her husband have been in the Harrisonburg area for over 4 years now. She is passionate about seeing students grow and succeed –which is why she fits so well into the Civic Learning Program and JMU in general. She’ll have oversight of the Civic Learning sanctioned programs, the mentorship and site experience opportunities, and meet with students in Administrative Option Hearings.

Residence Life

Ms. Kari Talik, Skyline Area Director, has left JMU for a position at Southeast Missouri State University as the Coordinator for Student Leadership and Residential Experiences. Kari’s move not only supports her career goals but also allows her to live closer to family. All of ORL wishes her the best!

Mr. Cover Heishman has been appointed the new Area Director for the Village Area Residence Halls. Formerly the full-time Hall Director in Shenandoah Hall, Cover has been a member of ORL full-time staff for the past 3 1/2 years. Congratulations to Cover!
Ms. Beth Manella has been selected as the new full-time Hall Director for Shenandoah Hall. A former JMU undergraduate Hall Director, Beth is a JMU graduate who is happy to be back in the Valley. We are excited to have Beth back on our team!

Ms. Martha Kent has left the Office of Residence Life and is now working in the main office of The Breeze. We wish Martha the best as she embarks on her new adventure!

Ms. Brenda Smith joined the Office of Residence Life this past summer as our new Assignments Technician. Brenda and her family have lived in the area for many years and she previously worked at the Blue Ridge Christian School.

**UREC**

Matt Lovesky joined UREC in 2012 as the Coordinator of Aquatics and Safety. Matt is responsible for hiring, training, and leading a comprehensive aquatic and EMT staff and is a member of the UREC programming and Risk Management team.

Keala Mason is the Coordinator of Sport Clubs and Youth Programs at UREC and her role is to help manage the 42+ sport clubs on JMU’s campus, facilitate UREC’s Summer Camp and Kid’s Night Out programs, as well as manage the Informal Recreation staff. Her favorite thing about UREC is the people because she has met her best friends here and truly became part of the UREC family.

Scott Mersiovsky joined UREC in 2012 as the Technology Manager. He makes sure all the hardware and software needs of UREC’s professional and student staff are met so that they can do their jobs well. He loves the positive environment that UREC offers.

Kelli Peterson joined the UREC team in 2012 as the Coordinator of Intramural Sports and Special Events. Some of her main responsibilities include the hiring, training and developing of student officials, the facilitation and implementation of special events, and scheduling a wide variety of intramural sports leagues and tournaments. Kelli also serves as the advisor for the Student Officials Association. Kelli’s favorite thing about UREC is their dedication to developing JMU students by providing them great learning and leading opportunities.

Jason Ritter joined UREC as the Facilities Manager in 2012. He oversees the day-to-day operations and maintenance of University Park, East Campus Fields, Long Field Mauck Stadium, Godwin Hall, Memorial Hall, and the Roller Hockey Courts.

**University Health Center**

Tia Mann is now the Assistant Director for Substance Abuse Prevention.

Paige Hawkins has moved into the role of Prevention Specialist.

Associate Director Wendy Young, former Assistant Director Greg Myer, and Coordinator Chris Ehrhart will have their article Big Change Through Small Action, an article talking about how to integrate small acts of professional development into your day to day as a professional, in the November-December issue of About Campus, ACPA's bi-monthly magazine.

University Health Center

SAUP Grant Award: Veronica Jones, Mouline Etre and Dr. Stephen Rodgers. Body in Balance is a multi-faceted mind-body wellness program that will provide education, support, and physical activity for students who feel they are seriously overweight/obese. The program includes a weekly small group discussion and twice weekly physical activity sessions, such as walking or yoga. All meetings take place outside of the gym.

2012 Values in Action Award Recipients

The Student Affairs and University Planning “Crredibl” Award

This award recognizes at least two staff members who demonstrate a commitment to the core values (collaboration, responsibility, respect, excellence, diversity, integrity, balance, and learning) in an exemplary manner. This award will be given for outstanding demonstration of two or more of the core values.

Bryan Brown, Student Affairs Technical Service
Sam Butler, Office of Residence Life
Renee Herrell, Career & Academic Planning

The Student Affairs and University Planning “Program of the Year” Award

This award is given to a department that experienced large growth and/or demonstrated improvement in a pre-existing program or created an outstanding new program.

IS 202 - Career and Life Planning Course, Career & Academic Planning

The Student Affairs and University Planning “Together We Stand” Award

This award recognizes effective partnership between individuals/groups outside of the division of Student Affairs and University Planning with individuals/groups inside the division to enhance student learning, development, and/or success. The individuals/groups from within and beyond the division will share this award.

On September 28th, all OJA Staff participated in a service project at The Arc of Harrisonburg and Rockingham on September 28th. We spent an afternoon helping them clean, organize, and set up some new projects and activities for their clients.

In December, Director Josh Bacon and Coordinator Chris Ehrhart will be conducting a restorative justice workshop and training for all staff members in the Harrisonburg City Schools. The schools have heard how beneficial restorative practices can be in repairing a community and have turned to us to lay the foundation of their training.

Throughout the semester, OJA staff members have represented JMU and the OJA office at the Harrisonburg/Rockingham Student Court Days, explaining the judicial process and policies to the students as they begin their court proceedings, processes, and consequences.

UREC

Each year UREC sponsors a program called Warm A Winter Wish. The concept is similar to an “Angel Tree.” UREC receives wish lists of individuals and families from First Step, Mercy House and Crossroads to Brain Injury Recovery. Their wishes are hung on a tree in UREC for faculty, staff, and students to fulfill.

University Unions

Lisa Mathews-Ailsworth, Off Campus Life, is the Alternative Fall Break Learning Partner going to the New England Center for Homeless Veterans, coaches a Harrisonburg’s Rec Department girls basketball team, is heading down this weekend to assist with a Special Olympics ASB event, and is a volunteer for both Big Brothers Big Sisters and the Boys and Girls Club.

Jeremy Hawkins, Festival Conferences, was appointed to the Harrisonburg/Rockingham Social Services Advisory Board, took over as the head coordinator for Safe Zone on campus, is a Learning Partner for the Alternative Fall Break trip to Project Lazarus in New Orleans, is a member of the Harrisonburg Community Band(French Horn), and is stubbornly holding off a “Jeremy for Mayor” grass roots effort.
Get involved...

There are involvement opportunities for individuals, organizations and departments.

» Take a Wish from the UREC Holiday Tree
You simply need to come to UREC, remove a wish from the tree, purchase the gift and return it unwrapped to UREC with the wish tag on the present (this way we know what family and individual the gift goes to). The Warm a Winter Wish Tree will be stocked with wishes November 11, 2011 in the UREC Lobby. Gifts are due December 14 at Noon.

» Attend the Annual UREC Wrapping Party
Come to UREC and help wrap gifts with UREC student and professional employees! The annual wrapping party will take place Wednesday, December 14, 2011 at 1pm in the UREC MAC Gym.

» Donate Wrapping Supplies
It takes a lot of wrapping paper and tape to wrap over 1000 gifts!

» Perform at the Wrapping Party
Encourage our volunteer wrappers as they work through performing if you are an acapella or dance group.

» Donate in Other Ways
Delivering gifts, promoting the event, preparing gift tags, other ways you can think of.

After a competitive application process, Beau Dooley has been accepted into the Rotary District 7570 Group Study Exchange (GSE) program under the sponsorship of the Rockingham County Rotary Club. The GSE program (a part of The Rotary Foundation of Rotary International) is a unique cultural and vocational exchange opportunity for young business and professional men and women. The program provides travel grants for teams of participants to exchange visits between paired areas in different countries. For four weeks, team members study the host country’s institutions and ways of life, observe their own vocations as practiced abroad, develop personal and professional relationships, and exchange ideas. Beau and his three teammates will be traveling to Taiwan during the spring 2013 semester.

A group of 19 traveled to Ft. Liberte, Haiti from October 26 – November 3 for mission work. Dr. Andrew Guertler, team leader, and Julie Shiflet, both staff members at the University Health Center, were part of the group who assisted in continued construction of an orphanage, completing a roof on a church, distributing clothes, working in the local school and orphanage, setting up a computer lab, and, provided money for the completion of two wells for clean water. The trip was a rewarding experience for everyone.
