

# Design and Technology Concentration Course Map (2022-2023)

A Theatre major must fulfill the B.A. degree, major, and general education requirements.

Note: This is only a suggested framework. Study abroad, minors, and summer/online courses may require/allow for change to this map. Students who have met foreign language requirement should use those slots for General Education. Ultimately, students are solely responsible for creating a workable academic plan in consultation with academic advisors.

\* Red indicates courses which must be completed in listed timeframe
