Musical Theatre Course Map (2022-2023)

A Musical Theatre major must fulfill the B.A. degree, major, and general education requirements.

Note: This is only a suggested framework. Study abroad, minors, double majors, AP, IB, Dual Enrollment, and summer/online courses may require or allow for significant change to this map. Students who have met their foreign language requirement should use those slots for courses in General Education and/or electives. Ultimately, students are solely responsible for creating a workable academic plan in consultation with academic advisors.
* Red indicates courses which must be completed in listed timeframe. *Blue indicates an optional course.
