

Performance Concentration Course Map (2021-2022)

A Theatre major must fulfill the B.A. degree, major, and general education requirements.

Note: This is only a suggested framework. Study abroad, concentrations, minors, and summer/online courses may require or allow for significant change to this map. Students who have met their foreign language requirement should use those slots for courses in General Education. Ultimately, students are solely responsible for creating a workable academic plan in consultation with academic advisors

* Red indicates courses which must be completed in listed timeframe
